

what we do

The Caring Craftsmen Team is a part of the FANS Network. We work with individuals with disabilities and their families who are in need of support from their community. Our task is to help with needs around the home.

Some examples of needs:

- Drywall and drywall repair
- Patching roofs
- Repairing floors
- Laying down new flooring
- Ramp building
- Railing installation
- Painting
- Building/Putting together furniture

who do we help?

Through this project you will be helping a person with a disability and/or their family with much needed home repairs or projects they could otherwise not afford or complete on their own. A little bit of help goes a long way.

join us

We are looking for individuals and companies that are willing to donate time, money, and/ or materials for these projects. Discounts on materials are also helpful for our cause. There is also the opportunity to become the title sponsor for this project. We are partnering with the **Haunnah Meyer Memorial Fund** to make this project possible and all donations are tax deductible through the Fund.

For more information about **The Caring Craftsmen Team**, contact Dave Glock Jr. by phone at (937) 304-5774 or by email at davejr7932@gmail.com, or contact Scott Osterfeld by email at sdosterfeld@butlerdd.org or by phone at (513) 785-2813.

This is one of our volunteers with a young woman who lives in the community. He installed a railing on her front porch.
